Keeping parents informed on student performance and achievement at school is important in the ongoing partnership between home and school. Electronic portfolios, parent meetings, interviews, newsletters are all methods the school uses to report on student progress. The mid year interviews and e-portfolio viewings will be held next week from 1-3 July; and an interview timetable for parents to complete has been sent home. It is important both Mum and Dad and student attend these 30 minute interviews—meeting with teachers provides an opportunity for students to share their learning and to set goals for the next term; and provides an opportunity for teachers and parents to share successes and concerns. Please return the slips asap so that we can try to organise a time slot that suits. Thank you to those parents who have already done so.

This year we are celebrating Matariki at school with our rotation of art workshops. Tomorrow we conclude our 2 days with our hakari - a time to share and celebrate our work with a shared lunch in the hall.

This is the last newsletter for term two. It has been a very busy term, with many students and staff absent due to illness. Please take care over the holiday break, and enjoy your children.

Term 3 begins on Monday 22 July.

Kindest regards

Lee Anderson

NZ POLICE

NZ Police recently launched a new non emergency number, 105. We've done this to make it easier to get hold of us in the event of non-urgent situations or 'Things which have Already Happened', which don't require Police assistance immediately.

You can call us on 105 for all non emergencies, or you can go online at 105.police.govt.nz to report things like:

- Lost property
- Theft for a public place or car
- Intentional property damage
- Or to get an update or add info to a previous report

In the event of an emergency, always call 111 - Things that are Happening Now.
