Whakatauki: Ma tini ma mano ke rapa te whai

Many hands make light work
Unity is strength

Dear Parents and Caregivers,

Tenei te mihi ki a Cressida Biddles me Tommy and Zahleigh Smith ki te kura o Te Kopuru.
We welcome new students and their whanau into our school.

Families of Te Kopuru School,

Exciting things are happening at Te Kopuru School. We have established garden plots where children are learning how to grow their own vegetables; and this year we have had an abundance of carrots, silverbeet and spinach! We have also planted an orchard with feijoa, guava and a variety of citrus trees.

Last year the Te Kopuru School Board of Trustees approved the remodeling of an existing classroom into a food tech block. Work is nearly completed with four kitchenettes where children can cook, and a teacher station. Not only will our students learn about healthy eating, food safety, but reading recipes, measuring ingredients, learning about temperature and time are fun ways to teach literacy, numeracy and life skills.

The Board is funding the project through the Ministry of Education property grant. However, we are needing to purchase microwaves, ovens, washing machine/drier, pots, pans, cutlery and a host of other utensils which do not come under the Ministry criteria for funding.

I am writing this letter to you inquiring as to whether you would consider sponsoring this exciting project. The estimated cost of required equipment is in the vicinity of \$16,000.00.

Would you consider sponsoring our project to provide our much needed equipment? A list of utilities and costs for you to select an item for sponsorship is included below.

In appreciation of your support you will be acknowledged in our school newsletter, and on the Te Kopuru School website. At our grand opening, our students would like to thank you with a sampling of their cooking!. We hope you are able to contribute and we appreciate your continued support and involvement in enriching the education of Te Kopuru students.

To make a contribution, simply pay directly to the Te Kopuru School Board of Trustees bank account 06 0309 0065275 00. Reference food tech and number of item sponsored. Please contact the school for enquiries.

Many thanks in advance
Lee Anderson
Principal

Anthony Nelson
Board of Trustees Chairperson

NETBALL

"All those who put their name down to play netball this season, please meet at the back court at lunchtime (bring your lunch) on Wednesday. Junior netball begins this weekend. Anyone else who wants to play welcome to come along"

Junior netball starts this weekend at Sportville for all ages. This is for a shortened season for 5-6 weeks and will be non-competitive. This year is about promoting participation, fun & upskilling players, coaches & parents. Games will start at 9am, followed by the Future Ferns program (this is for new players from years 1-4). A sausage sizzle will be provided on the day, any parent help will be greatly appreciated, please enquire on the day. Teams will be arranged this week during lunchtime training on Wednesday and dresses will be handed out, these must be returned at the end of the season. Please check out the NWNC Junior Netball page on Facebook for any further information and cancellations.

A huge Thank you to Ann Field who donated her time and skills to make some aprons for our students to use in our new food technology room.

School Lunch orders commence again in Term 3. Please place your order before the first bell at the office. Empire lunch orders available on Fridays only from 24/07/20. Please see list of items available to purchase.

Te Ha Oranga Throat Swabs

Te Ha Oranga can still treat children who are symptomatic and at high risk for sore throats.

If Parents/Caregivers cannot access the Dargaville Medical Centre for sore throat management, they can contact myself on 027 270 1434 or our Kaimanaaki Virginia Wati on 027 207 6749 who can arrange antibiotics and a throat swab. It's important that children should remain home if they're unwell or have a sore throat and they can opt to also have a covid swab.

Nga mihi, Kirsten

The school has a large fish tank available for a koha to anyone who would like it. You would need to be able to collect the tank. Please contact the office on (09) 439 1802 to register your interest. Thank you.

1st Dargaville Girls' Brigade

EAT TO ENERGIZE!
To practice and play at your best, fuel your body the right way, every day.

Before Sport
Fuel up with GO Foods 1 to 4 hours prior.

- Porridge & fruit or weetbix & fruit with milk
- Eggs on toast
- Sandwich
- Pasta Salad

During Sport
Top up with small sips of WATER. Add fruit or veges for extra flavour.

- Berries
- Lemon
- Cucumber
- Orange
- Water

After Sport
Eat foods that will replace the energy you have used.

- Yoghurt
- ½ Peanut butter sandwich
- Cheese & crackers
- Smoothie
