Kia ora Parents/Caregivers

Northland Schools can open on Friday 3rd September if water and covid tests come back negative.

If we do go down to level 3, Te Kopuru School will be open on Friday 3rd, for a small number of children who need to attend. As you imagine it will not be school as we know it under Alert Level 2 or 1. All our usual safety precautions for Alert Level 3 will be in place which include following all the recommendations from the public health experts.

We will continue to support all children who remain learning from home, through our distance learning programme.

While we know how difficult it is trying to work from home as well as support your child's learning, please keep your child at home if there is an appropriate carer available.

Please email jessica@tekopuru.school.nz and say if your child/children will be attending school at Alert level 3. This is so that we have an indication of student numbers attending. This will support our organisation process. (Please see the flowchart below).

It was pleasing to hear that across New Zealand compliance is high. As you have been doing, please continue to follow all the alert level requirements at Level 4/3 and stay at home. It is the best tool we have to keep our community safe.
