

Te Kopuru School Health and Physical Education Needs Questionnaire 2021

As part of the Ministry of Education requirement, the Te Kopuru Board is required to survey the school community in regards to the Health/Physical Education Programme within the school every 18 months. This is to enable staff to focus teaching and learning programmes on community needs.

Please indicate the level of need for your child/children to be involved in the teaching programmes noted under the key areas of learning. Even if some of the categories do not yet affect you as your child is in a younger class we would appreciate your thoughts as part of this exercise is to plan for the future.

Please score each of these areas;

2 for most important
