Tene te mihi

The health and wellbeing of our children, staff and community is a top priority.

We are sending this letter to advise that one of our families are deemed as close contacts to a confirmed case of Covid-19. This family is in isolation and will be tested on day 5, unless symptoms present earlier.

We have sought clarification from the Ministry of Education, and apart from this family, the rest of the school children and staff have not been identified as contacts.

As this happened over the weekend, the school continues to be a safe place and will remain open; and we will continue with our health and safety procedures.

Thank you for your continued support.

Lee Anderson
School Principal
