**Whakatauki: Ehara taku toa i te toa takitahi  
Engari he toa takitini**

**My strength is not as an individual  
But as a collective**

## Te Kopuru School Active Challenge Day: Wednesday 30 March @ 9.30am start

*Please note that the school triathlon has been brought forward to Wednesday 30 March so that we can take part in an active fun day starting with the Community Play Trailer immediately followed with our school triathlon.*

**The Community Play Trailer** has been booked in at Te Kopuru School this Wednesday 30 March from 9.30am – 11.30am.

The trailer is full of various play and sports equipment for our tamariki to use how they want – explore, discover, play, be active and have fun. The Community Play Trailer has been designed to promote a fun and exciting experience for schools and whanau around Kaipara.

Parents and whanau are invited to come and participate in activities under the guidance of Sport Northland facilitators. Come and have a look at this wonderful asset.

**The Te Kopuru School Triathlon** will start at 12.00 noon.

The triathlon includes a swim, bike ride and run. Students may decide to form a team, with each member choosing which leg to do. I would challenge our more able athletes to compete as an individual in this event.

This is an annual event and all students are required to take part, unless there is a medical exemption.

We rely on parental help as road marshals to ensure our children are safe. Without your help we are unable to run this event. Thank you.

Cyclists may use our school bikes and helmets. However, if students wish to use their own bike could they please be dropped off at school by Tuesday (tomorrow).

Programme:

12.00 Year 7&8

12.15pm Year 5&6

12.30pm Year 4

1.30pm Year 1, 2 and Year 3: students have an individual course inside the school grounds. Every student participates. Again, students will use the school bikes and helmets, but if you have a bike or scooter that they wish to use, could you please bring them to school on Tuesday.

( Please be aware that these times may change)

Please contact the school office 093491802 if you can help as a road marshal.
