Warmest greetings to all Parents/Caregivers**

This is the last newsletter for term 2.

Parent Interviews

Thank you to our parents who have booked their mid-year interviews for this week. We know the importance for our students for a supportive home and school partnership. There is a schoolwide expectation that parents/caregivers attend interviews. It is a time to celebrate our student learning and to talk about how we can work together to support on-going learning. Please contact the school if something unexpected happens and you are unable to attend, so that we can reschedule and make the time slot available to others. Teachers will contact parents who have not already booked an interview time so that we can make a time that is convenient for you.

Early finish on Tuesday: Just a reminder to parents to collect their child at noon tomorrow (Tuesday 8 July) so that teachers can begin their interviews at 12.30pm. Thank you.

Kids Kan Jackets:

We are very fortunate to receive warm winter jackets from KidsKan. They are high quality, fully lined jackets with detachable hoods. They will be given out at parent interviews so that parents can select the correct size for their child.

Wellbeing update:

We have one known whanau who has tested positive for Covid
Many of our students are displaying flu symptoms, and the tummy bug is still prevalent.
We also still have sick staff.
In the interest of all our students and staff, please keep your child at home if they are ill.

Nga mihi mahana
